

# Application Process and Instructions

The General Henry H. Arnold Grant Program application deadline is April 30, 2025.

Only applicants whose grant application materials (online applications and supporting documents) have been received by the stated deadline will be considered for a grant.

**Important Note: You can register for an account and begin an application, but please do not submit your application until you have attached all required documents, including the FAFSA Submission Summary. If you submit an application without all required documents, your application will be rejected until all documents are attached and the application is resubmitted.**

If you need assistance, please contact the Education Department at [education@afas-hq.org](mailto:education@afas-hq.org) or (703) 972-2647. The fastest response method is via email communication.

## Application Process

- ❖ Applicant answers eligibility questions and registers as a user on the Air Force Aid Society's Education Grant Portal. **All applicants, new or returning, must answer eligibility questions before completing an application.** The email used to register is considered the applicant email and all email communication from AFAS will be sent to this email. Be sure to add [education@afas-hq.org](mailto:education@afas-hq.org) to your contacts and check your email regularly, as well as junk/spam folders.
- ❖ Applicant enters student and sponsoring member/other parent data, completes all application sections, and submits the application including all required documentation for the Gen. Henry H. Arnold Education Grant Program by the deadline listed below.
- ❖ AFAS receives application and reviews for applicant's eligibility and U.S. Air Force or U.S. Space Force member's status. All applicants will be notified of their eligibility via email, within 2 weeks of submitting their online application and if corrections need to be made.
- ❖ After the application deadline, all eligible applicants will be evaluated for a financial needs-based grant selection, which is based on the cost of attendance at student's chosen college and Student Aid Index (SAI) entered on the FAFSA Submission Summary.
- ❖ If an applicant is selected for a grant, based on financial need, an award notice will be emailed to the student in June. Applicants will be asked to accept their award and confirm or change their school. Changing schools can affect eligibility. Re-scoring of eligibility is automatic when notice of school change is received. Applicants not selected will also be notified in June.
- ❖ All grant award checks will be made payable to the school's financial aid office. Students attending Fall and Spring will have their grant sent in two disbursements (first in early August, and the second in early December). Use of funds is limited to tuition, books, fees, and other curriculum-required materials. Room and board are not allowable expenses. Funds must be used in the academic year for which they were disbursed. Any check not cashed by May 31 of the academic year will be canceled and funds will not be reissued.
- ❖ Students must reapply each academic year, as awards are not automatically renewed. A courtesy email is sent to previous applicants at the beginning of each year, announcing the application submission opening.

## Application Instructions

Please review the following instructions on how to register for an account, eligibility documents required, and how to complete and submit the application.

### Registration

**New applicants (no previous applications)** must register as a user before completing an application. New registration involves three phases: registering for an account, creating a profile, and confirming eligibility.

**Returning applicants (previously applied)** If an application was submitted in the past two academic year cycles, applicants will use 'Sign in' to log back into their account, update their profile, and reconfirm eligibility. If you forgot your password since the last login, use the 'Forgot your Password?' option.

- Enter Applicant's primary email address that is regularly monitored.
- Applicant's complete email address will become their username.
- All correspondence throughout the application process will be sent to the Applicant's primary email address.

The password must meet the following requirements:

- Must contain characters from at least 3 out of 4 (uppercase letter, lowercase letter, number, and special character).

After an account is established/updated and an application started or completed, applicants will use 'Sign in' to log back into their application to update/submit or to determine application status.

### Confirming Eligibility

A student's eligibility depends on their relationship to the sponsoring U.S. Air Force or U.S. Space Force member and the member's category.

To confirm eligibility, follow these steps:

- From the drop-down menu, identify whether the student is the child or spouse of the sponsoring member.
- From the drop-down menu, identify the sponsoring Air Force/Space Force member's category.
- Answer eligibility questions, by selecting Yes or No.
- If the member is not in one of these categories, then the student is not eligible under this program. Detailed Eligibility criteria can be found on the AFAS website at <https://afas.org/haparnoldgrant/>
