MAKING MOVES EASIER

Support for a Smooth PCS

MONEY MATTERS

Increased Dislocation Allowance (DLA)
DLA is meant to cover expenses incurred in relocating a member's household, like cleaning supplies, perishable foods, cooking oils, and household products not authorized for shipment. DLA was increased in 2023, to further help offset personal expenses for PCS moves.

Cold Weather Assignment Incentive Pay
Airmen and Guardians assigned to qualifying extremely cold weather locations receive a one-time payment of up to **$4,000** to defray upfront expenses associated with living extremely cold climates.

Spouse Employment Support
Spouses are eligible for reimbursement of up to **$1,000** in PCS-related expense for re-establishing a small business or relicensure/certification.

PCS Caregiver Travel Reimbursement
Service members unable to secure on-base child care within 30 days of arriving at their new duty station are eligible for reimbursement of up to **$1,500** for a temporary child care provider's travel-related expenses.

Breast Milk Shipment Reimbursement
Eligible families can recover up to **$1,000** for shipment of breast milk during PCS moves.

Reimbursement for Pet Relocation Expenses
Service members are authorized up to **$550** for CONUS and up to **$2,000** for OCONUS for pet relocation expenses. Families relocating from certain high-risk countries are eligible for up to **$4,000** reimbursement.
